 CONTACT

Armando Chavez has over 16 years of experience in economic and financial consulting in litigation and non-litigation matters. Mr. Chavez has testified at trial and in deposition and submitted expert reports pertaining to his opinions as an economic damages expert in federal and state civil case proceedings.

Mr. Chavez concentrates on the calculation of economic damages pertaining to intellectual property or other commercial disputes. He has advised Fortune 500, multi-national, as well as mid and small-sized companies operating in a number of industries. Mr. Chavez has assisted these companies and law firm personnel in the identification and production of relevant financial information, in the development of damages claims, and in the review of financial and economic information and considerations related to the determination of damages.

Mr. Chavez has taught on topics related to damages and valuation of intellectual property at educational institutions including the Georgetown University Law Center and the Chicago Kent College of Law, among others. Mr. Chavez has also presented on topics related to damages and valuation of intellectual property at professional organizations including the Houston Intellectual Property Law Association and the Houston Young Lawyers Association, among others.
