 CONTACT

Scott Cragun has over 20 years of experience in financial and litigation consulting. His area of expertise is intellectual property damages analysis and calculations including lost profit calculations, reasonable royalty determinations, and other intellectual property quantitative analysis such as valuations. Mr. Cragun has provided financial analysis and valuation assessments on patent, trademark, trade secret, and copyright issues and provided expert witness testimony. He has assisted in license negotiations and conducted royalty compliance reviews. Mr. Cragun also has advised on unfair competition and breach of contract issues.

During his career, Mr. Cragun has had significant involvement with company and law firm personnel in the identification of relevant market, financial, and economic information, and the development of damages scenarios. His industry experience includes the automotive, chemical, computer, consumer products, electronics, healthcare, retail, software, semiconductor, and telecommunications sectors.
